

DRONE-TOPIA? DRONE POST-FLIGHT ASSESSMENT

Dear Drone Operator: Thank you for your delivering blood today. Before leaving the Droneport, please complete this short Post-Flight Assessment.

~ With thanks! Lancashire Mesh Node 20613

1. Was your journey a success?

- Yes
- No
- Explain:

2. What do think about the idea of cargo medical drones operating in Lancaster?

3. I would trust a drone to deliver:

| | Strongly Agree | Agree | Disagree | Strongly Disagree |
|--------------|----------------|-------|----------|-------------------|
| Blood | | | | |
| Book | | | | |
| Car | | | | |
| Groceries | | | | |
| Human | | | | |
| Pizza | | | | |
| Love Letter | | | | |
| Prescription | | | | |
| New Trainers | | | | |

4. Where 'disagree' or 'strongly disagree,' why?

5. How do you feel about the drone operating with a camera attached?

6. Are there any other post-flight observations you would like to share?
